BEHIND THE BEHAVIOR: A CAREGIVER'S GUIDE TO UNDERSTANDING HOW CHILDREN LEARN

PRESENTER

Amber Maccione is a strategic operations leader and educator who uses her lived experience and 20+ years in K-12, ESOL, and youth-serving systems to strengthen trauma-informed, academically aligned support for vulnerable students as Strategic Operations Consultant at CogniTutor.

DATE

Monday, August 31, 2026

TIME

1:00 PM – 2:30 PM EST

10:00 AM – 11:30 AM PST

DESCRIPTION

A child melts down over homework. Shuts down and refuses to try. It's easy to read these moments as defiance, laziness, or a bad attitude, but underneath these reactions is one of three very specific things going on: how the child is thinking through the task, how well they understand their own learning process, or how they feel about themselves as a learner. This session gives caregivers a simple, practical way to tell these apart in real time.
